SECTION II	DEFINITIONS
ITEM	APPLICATION

10 **DEFINITIONS**

Agent or Vessel Agent - the party or entity which submits the application for berth, or otherwise represents a vessel's owner or charterer.

Berth - The section of a wharf including mooring facilities and water used by a vessel while docked at wharf.

Checking - The service of counting and checking cargo against appropriate documents for the account of the vessel.

Dockage – The charge assessed against a vessel for berthing at a wharf, pier, or bulkhead structure or for mooring to a vessel so berthed.

Facility Use Charge - The use of terminal facilities by any rail carrier, trucker, shipper or consignee, their agents and/or employees, when they perform their own car or truck loading or unloading or the use of said facilities for any other gainful purpose for which a charge is not otherwise specified.

Free Time - The specified period during which cargo may occupy space assigned to it on terminal property free of terminal storage charges immediately prior to the loading or subsequent to the discharge of such cargo on or off the vessel.

Handling - The service of loading or unloading rail cars and trucks, or moving cargo between point of rest and any place on the terminal facility, or otherwise receiving or delivering cargo on or off of the Port Terminal facilities.

Harbor Usage - The charge assessed against each ton of cargo transferred to or from water carriers while anchored in St. Andrews Bay.

Heavy Lift – Any single lift exceeding 75,000 pounds or greater.

Point of Rest - The area of the terminal facility which is assigned for the receipt of inbound cargo from the ship and from which inbound cargo may be delivered to the consignee and that area which is assigned for the receipt of outbound cargo from shippers for vessel loading.

10
(Cont.)

Port Terminal Facilities - One or more structures comprising a terminal unit and including, but not limited to, wharves, warehouse, covered or open storage space, unloading structures and receiving stations used for the transmission, care and conveyance of cargo in the interchange of same between land and water carriers.

Storage - The actual physical keeping of freight or cargo in or upon property operated by the Authority beyond free time. The Authority reserves the right to transfer any freight or cargo not removed by the owner or shipper before the expiration of free time to any commercial warehouse or other place of storage at the expense of the owner or shipper, without prior notice.

Switching - A charge made for the movement of railcars within the switching limits of the Port.

Ton – (Short ton/US ton) 2,000 pounds.

User - a user of the facilities owned, leased, and/or controlled by the Panama City Port Authority shall include any vessel or person using any Port properties, facilities, or equipment, or to who or for whom any service, work, or labor is furnished, performed, done, or made available by the Panama City Port Authority, or any person owning or having custody of cargo moving over such facilities.

Vessel - includes within its meaning every description of water craft or other artificial contrivance whether self-propelled or non-self-propelled, used, or capable of being used, as a means of transportation on water, and shall include in its meaning the owner thereof.

Wharf - any wharf, pier, quay, landing, or other stationary structure to which a vessel may make fast or which may be utilized in the transit or handling of cargo or passengers and shall include other port terminal facility areas along side of which vessels may lie or which are suitable for and are used in the loading, unloading, assembling, distribution, or handling of cargo.

SECTION III	RULES AND REGULATIONS
ITEM	APPLICATION

20 JURISDICTION OF PANAMA CITY PORT AUTHORITY

By a special act of the Florida Legislature, the Panama City Port Authority is an agency of the City of Panama City. The Authority has jurisdiction over and control of, and the power to regulate and fix charges for the port facilities owned by the City of Panama City. The Authority also has jurisdiction over mid-stream transfer of cargo to or from barge or ship.

21 GENERAL APPLICATION

The charges, rules and regulations published in this tariff apply on all cargo moving through the facilities of the Panama City Port Authority hereinafter referred to as "Authority", and shall apply equally to all users of the facilities.

The charges published in this tariff are in addition to those assessed for transportation.

The use of Authority facilities constitutes an acceptance by the user of all charges, rules and regulations published in this tariff and the user agrees to pay all charges and be governed by all rules and regulations published in the tariff.

All services undertaken, to be performed by the Authority under this tariff, are further subject to Federal, State and Municipal laws and regulations.

22 APPLICATION AND INTERPRETATION OF TARIFF

Rates, rules and regulations contained in this tariff shall apply equally to all users of the facilities on the effective date shown in this tariff and as amended. Revised pages shall be issued to cover changes; however, all rates and regulations in this tariff are subject to change without notice, except as may be required by law. The Executive Director shall be the sole judge as to the interpretation of this tariff.

TERMINAL TARIFF NO. 3

SECTION III	RULES AND REGULATIONS
ITEM	APPLICATION

23 CONSENT TO TERMS OF TARIFF

The use of the port facilities under the jurisdiction of the Authority shall constitute a consent to all of the terms and conditions of this tariff and specifically to Chapter 311, Florida Statutes, and evidences an agreement on the part of all common carriers, vessels, their owners or agents, or other users of such terminal facilities to pay all charges specified herein, and be governed by all rules and regulations shown in this tariff and the Florida Statutes.

25 TARIFF RESTRICTIONS

The handling charges published in this tariff will not apply on the following:
Pieces or packages exceeding 75,000 pounds.

Charges published in this tariff will not apply on commodities that are highly flammable, explosive or otherwise dangerous or of uncertain value except under advance arrangements with the Authority.

Commodities of an objectionable nature or commodities which might contaminate other commodities will only be handled directly between cars or trucks and vessel. Such commodities will not be handled through transit sheds or warehouses.

30 PORT SECURITY

The Panama City Port Authority has developed a security plan to meet Federal and State requirements related to Port Security.

The Authority may restrict access to the Port, inspect vehicles entering or exiting the Port, or impose other restrictions on Port users as may be required from time to time in order to enforce its security.

TERMINAL TARIFF NO. 3

SECTION III RULES AND REGULATIONS

ITEM APPLICATION

35 TWIC ESCORTING

In accordance with the U.S. Coast Guard regulation 33 CFR 101.514, all persons requiring unescorted access to secure areas of the Facilities regulated by the USCG must possess a Transportation Worker Identification Credential (TWIC) before such access is granted. Persons requesting access to PCPA facilities who do not have a TWIC must make advance arrangements for escorting by a person holding a valid TWIC who has been approved for access to PCPA facilities and who has been granted escorting privileges. Such escorting must be side-by-side for the duration of the visit. Details of the current PCPA escort policy may be obtained either at the security office or the administrative office of the Authority.

Escort by PCPA personnel may be provided when suitable personnel are available, and at the sole discretion of PCPA with a minimum charge of \$50.00. After the initial two hours a charge of \$25 per hour, or part thereof will apply. Escorts for seamen on visiting ships shall be \$10.00 each trip, in or out. PCPA makes no representation that escorts will be available to remain with persons requesting the service for the duration of their visit.

40 CONDITIONS AND REQUIREMENTS FOR STEVEDORING LICENSES

A. Purpose

These rules and regulations are developed to establish a standard licensing procedure by which the Panama City Port Authority (the Authority) can exercise its lawful control of the orderly operations of Port facilities. No person, firm, corporation or other business entity shall operate as or carry on business of a stevedore unless or until there shall have first been obtained from the Authority a license authorizing such activity. As used in this Tariff, stevedore refers to the performance of contract work on behalf of another, including but not limited to, loading and unloading cargo onto and from vessels and moving cargo within the Port facilities.

B. License Procedure

- (1) An application for a license shall be submitted to the Executive Director on a form prepared by the Director and available at the Port office. An application shall be accompanied by the required filing fee and all other documentary evidence requested or required herein.
- (2) The Executive Director shall review the application and may require additional information. The Executive Director shall issue the license if the applicant satisfies the requirements of this tariff.
- (3) The decision of the Executive Director to deny a license shall be subject to review by the Board of the Panama City Port Authority at their next regularly scheduled meetings, provided such request is made within 10 days of the original denial.
- (4) An applicant shall not be allowed to resubmit an application following Board disapproval for a period of six months.

C. Terms and Conditions

- (1) The acceptance of a stevedoring license or the use of Port facilities for stevedore operations by a person or entity shall constitute consent to the terms, conditions, rules and regulations of the Port Authority.
- (2) An applicant shall provide the names and addresses of the applicant(s), including all officers and directors of a corporation or all limited and general partners of a partnership. When applicable, the applicant shall provide satisfactory evidence of its qualifications to do business in the State of Florida. Additionally, the applicant shall provide the street address for its principal place of business

40
(cont.)

- (3) An applicant shall obtain and, as a licensee, shall maintain all insurance coverage required by law including USL&H insurance, general liability, and Stevedore's liability insurance, insuring against damage to persons and property in a single limit sum of \$2,000,000 and shall designate the Port Authority as an additional insured under the terms and conditions of the policy of insurance. Compliance with this provision shall be evidenced by a prepaid certificate of insurance reflecting the above coverage and a stipulation which prohibits cancellation of the insurance without ten (10) days' notice to the Port Authority.
- (4) A licensee shall maintain a Drug-free Workplace Program which satisfies the requirements of Section 440.102, Florida Statutes. An applicant for a license shall submit a copy of the written policy to be enforced during its operations on Port premises.
- (5) A license issued by the Authority shall expire the following September 30 unless renewed in accordance with this tariff. To renew a license, an application for renewal and payment of the annual license fee must be submitted on or before August 1 of each year.
- (6) A licensee shall save, hold harmless and indemnify the Port Authority from loss, claims, demands and suits for damages to persons and property, including court costs and attorney's fees, arising out of and from its operation incident to the use of the Port facilities.
- (7) No license shall be transferred or assigned or otherwise used by any person, firm, corporation or business entity other than the named licensee.
- (8) A licensee shall be responsible for damage to the facility and cargo or loss of cargo, occasioned by and through its employees, agents and designees, including longshore labor employed by it, or other contract labor, whether the work force is deemed an independent contractor or not.
- (9) A licensee shall assist the Port Authority in resolving any disputes relating to damage to the Port facility or cargo or the loss of cargo, and upon reasonable notice, the licensee shall make arrangements for interviews with its personnel and submit its records and reports relating to the event for inspection as required by the Port Authority.
- (10) Any damage to the Port facilities by a licensee or its employees, sub-contractors, or other agents shall be reported in writing to the Port Authority as promptly as possible and the licensee shall be responsible for repairing the damage. Failure to report facility damage may result in additional charges against the licensee as deemed appropriate by the Port Authority.

75 AUTHORITY CONTROL OF SERVICES PERFORMED

The Authority reserves the right to control all services performed in connection with cargo moving over or through its facilities. Services normally performed by the Authority will only be performed by Authority personnel unless permission is granted to other personnel to perform such services. If permission is granted, the Authority shall be paid for any labor, materials or utilities it may furnish in connection with such services, including personnel it may furnish to protect its interest. No mechanical equipment may be brought to or used on Port Authority property without prior arrangement with the Executive Director or his designee.

80 DEMURRAGE OR DETENTION

The Authority will not be responsible for any demurrage or detention on rail cars or trucks. In cases where the Panama City Port Authority causes demurrage or detention, responsibility will be assumed.

85 UNCLAIMED OR REFUSED CARGO

The Authority reserves the right to sell for accrued charges any cargo which is unclaimed or refused by shippers, consignees, owners or agents after notice has been delivered or mailed to interested parties.

90 DISCHARGE OF BALLAST RUBBISH OR DUNNAGE

Discharging ballast, rubbish or dunnage in the slips or channels is prohibited. No vessel will be allowed to discharge ballast at the facilities of the Authority without permission nor will any vessel be berthed to discharge ballast when other vessels are awaiting a berth to load or discharge cargo.

91 DELIVERING FUEL TO VESSELS

Any Party delivering fuel to vessel by truck must provide The Port Authority with proof of insurance as described in item 45. In addition, the Port Authority must be provided with a current Hazardous Materials Certificate of Registration with the US Department of Transportation, and a current copy of U.S. Coast Guard approval letter for the party's spill response mitigation plan.

95 SMOKING PROHIBITED AND FIRE SIGNAL

Smoking, fires or lighted materials in the transit sheds, warehouses, or other cargo handling structures, on the dock, or on vessels handling flammable cargo is prohibited.

In case of fire on board a vessel in port, except vessels underway, such vessel should sound five (5) prolonged blasts of the whistle or siren, four to six seconds duration, to indicate a fire on board or on the dock at which the vessel is berthed. Such signal should be repeated at intervals to attract attention and may be used as an additional method for reporting a fire.

100 VEHICLES ON FACILITIES

All employees, dockworkers and visitors at the Port of Panama City are restricted to parking in the designated parking areas. Any party bringing any vehicle or other articles onto the Port Authority properties shall do so at their own risk, and the Port Authority shall have no responsibility for any damage thereto or any liability to the owner.

105 VESSELS REQUIRED TO WORK OVERTIME

The Authority may require a vessel to work continuously and expeditiously when deemed necessary for the overall Port interest until it completes loading or discharging and the expenses thereof shall be the vessel's responsibility. In lieu of working overtime, a vessel may vacate the berth and await another berth. Vessels refusing to work overtime or to vacate the berth may be ordered moved by the Authority at the vessel's expense, as defined in Item 310 of this tariff.

110 WATCHMAN REQUIRED

Any vessel laying at the wharves shall, at all times, have on board at least one person in charge of said vessel who has authority to take action in any emergency as may be required.

115 APPLICATION FOR BERTH

All vessels, barges, their owners or agents, desiring berth at the wharves shall, as far in advance of the date of docking as possible, make application for same, specifying the expected date and time of arrival and departure from berth, and the nature and quantity of cargo to be handled. Application for berth is to be made to the Executive Director. Application for berth will be construed by the Authority to mean that all charges will be promptly paid upon presentation of invoice therefore, and that all rules and regulations will be complied with. All vessels berthing at the port without making a berth application are subject to Dockage charges up to three times the normal Tariff rate.

125 PROVIDING BILLING INFORMATION

All vessels, their owners and agents, shall permit the Authority access to manifests, loading or discharge lists, rail or motor carrier freight bills or any pertinent documents for the purpose of audits to determine the accuracy of reports filed or for obtaining necessary information for correct billing of charges. The vessel and its owners and agents shall, within three (3) days after vessel sails, furnish to the Authority with information on all cargo loaded or discharged as well as any other information which might be required for the accurate billing of cargo and vessel charges.

130 PAYMENT OF INVOICES

All invoices are rendered in accordance with this tariff and are due on presentation, payable at Panama City, Florida, in U. S. currency. A one and one half percent (1.5%) interest rate may be charged monthly (18% A.P.R.) on all invoices over 30 days old. Failure to pay within 30 days may result in the responsible party being placed on the delinquent list. All parties placed on the delinquent list may be denied further use of the facilities of the Authority until all outstanding charges have been paid. The Authority reserves the right to estimate and collect in advance all charges against cargo or vessels if credit has not been established with the Authority or if parties representing such cargo or vessels have habitually been on the delinquent list. Use of the facilities may be denied until such advance charges have been paid. The Authority reserves the right to apply any payment received against the oldest outstanding invoices.

The Authority does not recognize the numerous shippers or consignees and cannot attempt to collect or assist in collecting charges which may be passed on to shippers or consignees by the vessel, its owners or agents, and such bills are due when presented and must be paid regardless of when the vessel, its owners or agents are reimbursed.

Material errors or discrepancies on an invoice shall be specifically reported in writing to the Executive Director within 15 days after date of invoice. If not received within 15 days, the invoice shall be final and binding upon the parties and immediately payable.

135 RESPONSIBILITY FOR CHARGES

Except as otherwise provided, all carriers, vessels, their owners, or agents, and all other users of the services or facilities of the Port are responsible for the payment of charges as provided for in this Tariff.

On all vessels utilizing Port facilities, the agent shall be responsible for the payment of all dockage and other terminal charges assessed against the vessel as provided for in this Tariff. The Port of Panama City reserves the right to hold the vessel, its owners, operators, despondent owners, charterers, sub-charterers, and/or agent or sub-agent liable for payment of all terminal charges not otherwise paid.

The arrest or attachment of any vessel by court order will not relieve or diminish the responsibility of the agent for the payment of dockage and related port terminal charges. The arrest or attachment of any cargo by court order will not relieve or diminish the responsibility of the party booking the cargo for the payment of all terminal charges including, but not limited to handling, storage and wharfage, assessed by the Port in accordance with the provisions of this Tariff.

140

REQUIREMENT OF PRIOR INSTRUCTION

It is the responsibility of forwarders or owners of cargo to furnish written specific instructions for the disposition of all cargo to be received or shipped in advance of receipt or shipment of cargo at the Panama City Port Authority. Such instruction shall be furnished no later than forty-eight (48) hours after discharging import cargo and no later than twenty-four (24) hours prior to vessel loading on export cargo.

Any storage charges incurred due to the failure to provide such instructions shall be the responsibility of the owner(s) and/or the forwarder(s).

310 VESSELS TO VACATE

The Authority may order any vessel to vacate any berth when the Authority deems that the continued presence of such vessel at such berth would be a potential hazard to the vessel, the berth, the Authority's facilities, or the rights or property or safety of others, or would unreasonably interfere with the use of the Authority's facilities by others. Such situations include, but are not limited to, the following: when a potential natural disaster such as a hurricane, tornado, earthquake, or flooding, makes the continued presence of the vessel a threat to the vessel and/or the Authority's facilities and personnel on or around the vessel; when the berth is committed to others under a preferential berth arrangement or other agreement; when the vessel's cargo or their items represent a hazard to other vessels, cargo or facilities; when the vessel refuses to work continuously to completion of its loading and/or discharge or where urgent situations on the property of the Port create an unreasonable risk to the vessel or its personnel or the property or personnel of the Port, i.e., fire, threat of explosion or the aftermath of either, contamination or other like circumstances, or where the vessel is unseaworthy, suffers from extensive damage that may lead to the possibility of sinking, or is unable to move under its own power or is contaminated or has on board hazardous products and is without authority to dock at the Port facilities, and other similar circumstances. If a vessel fails to proceed to promptly vacate as ordered, without reasonable excuse, it shall be responsible for any damage or expense which results to the Authority and to others caused by such failure to vacate. Also, the Authority shall have the option (but not the duty) to move the vessel to other locations at the risk and expense of the vessel. If such movement occurs, the vessel shall hold harmless the Authority for any liability it may incur as a result of such movement.

If a vessel refuses to vacate a berth, the Authority reserves the right to deny such vessel future berthing privileges.

Use of Private Cranes other than the Ships Gear

The Port Authority reserves the right to restrict the use of private cranes on its facilities when, in its opinion, it is able to provide a crane for the job. Cranes owned by the Port Authority will be granted priority or first call over privately owned cranes.

Responsibility for Crane Operators

Crane with operator shall be under the supervision of the party renting. The Panama City Port Authority assumes no responsibility for personal injury or property damage which may result from use of Port equipment. This provision does not relieve the Port from liability for its own negligence. The Executive Director reserves the right to terminate use and reassign cranes to other operations when, in the Director's judgment, it becomes necessary to do so for the overall efficiency of the Port.
